Charles M. Treviño,  
*Division 2*

Ed Chavez,  
*Division 3*

Alfonso "Al" Contreras,  
*Division 4*

Bryan Urias,  
*Division 5*

Notice is hereby given that the Upper San Gabriel Valley Municipal Water District (Upper District) has prepared an Addendum No. 1 to the Mitigated Negative Declaration (MND) for the project described as the Recycled Water Program Expansion. The Upper District intends to adopt Addendum No. 1 to the MND for the project and has authorized the release of Addendum No. 1 for public review and comment on the above project and its potential impacts.

Upper District has developed the Recycled Water Program Expansion Project to increase nonpotable recycled water reuse in response to severe drought conditions and declining groundwater levels in Upper District's service area. The Project will include the construction of pipelines, booster stations, and a reservoir to extend nonpotable recycled water service to portions of the Cities of La Puente, Industry, South El Monte, El Monte, and Pico Rivera. The analysis in the Addendum No. 1 to the MND and the adopted Initial Environmental Study indicates that this project can be implemented without causing significant adverse environmental impacts.

The period of review will be from April 17, 2017 to May 18, 2017. Written comments on Addendum No. 1 should be submitted to the Secretary to the Board of Directors at the address below no later than May 18, 2017 at 5:00 p.m. Addendum No. 1 to the MND along with the adopted MND/Initial Environmental Study are available at the address below during normal working hours and on the Upper District website: [www.upperdistrict.org](http://www.upperdistrict.org).

The Upper District will conduct a public hearing regarding Addendum No. 1 to MND on Tuesday, June 6, 2017 at 5:30 p.m. The hearing will be at the Upper District office at 602 E. Huntington Drive, Suite B, Monrovia, CA 91016. For more information call (626) 443-2297.

Shane Chapman, General Manager  
Upper San Gabriel Valley Municipal Water District
